Issue 10 Summer Term

Friday 30th June 2024

## Kensuke's Kingdom

Year 5 and 6 wrote their last pieces of work for their writing portfolios, inspired by their class book *Kensuke's Kingdom*. Imagining they, just like the protagonist Michael, had learnt to survive on a desert island, they wrote a series of very useful tips on how to stay alive and get rescued, putting it together in a 'Survival Manual'. They're brilliant. Well done!

## SUPERSTAR

This week's superstar is our lovely Marta, who works really hard behind the scenes at Pakeman to achieve lots of amazing fundraising successes for our school. Thank you and well done Marta!

## Year 5 Parents/Carers Secondary Transfer Workshop

We had a lovely turnout for the Secondary Transfer Workshop. Lauren from ACL and Alison from Islington Schools Admissions were in attendance to help with any queries, worries or concerns. Thank you to all those who attended.

## Hidden Heroes Get Cooking

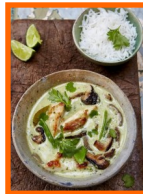

The **JAMIE OLIVER**  
**COOKERY**  
**SCHOOL**

Hidden Heroes went to the Jamie Oliver Cookery School and learnt to cook vegetarian Thai curry! A big thank you to Jamie Oliver's cookery school for enabling this to happen and giving the children such an amazing opportunity to cook in a professional kitchen and learn about the flavours and influences of Thai food. Thanks to Emma, Marta, Natalie and Sara for their involvement in this trip.

Why not try making Jamie's Thai green curry at home?

Some of the children in Year 5 and 6 worked with Fahima to explore how they could represent their emotions through colours. They expressed their feelings through painting and added a finishing touch by using glitter to write their names in Arabic.

## Under The Sea with Elm

Elm have been getting stuck into their topic 'Under the Sea'. They've created a very lovely, colourful display which they regularly add to with things that interest the children and which links to their book of the week.

They have also begun to make their own 'Sealife' shakers... the gluing and sticking has been a very popular experience! They are discovering that they can make lots of different sounds by putting different resources inside the bottles. Rice, sand and shells have been a popular choice. Lovely work Elm class.

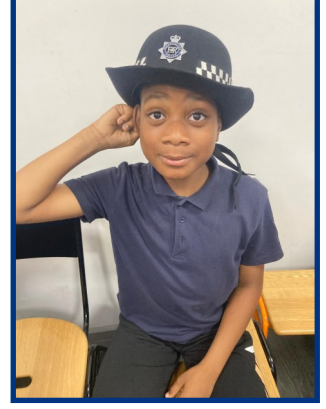

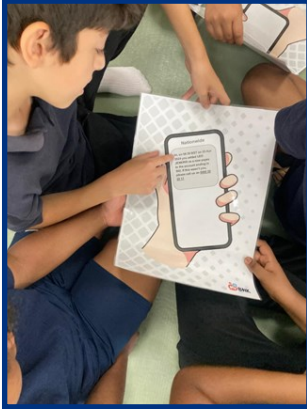

## Hidden Heroes Hit The Royal Park

Some of our Hidden Heroes had a magnificent day in Hyde Park Kensington gardens and playgrounds. Marcia, Natasha and Fahima joined the trip to make sure the children had a safe and super day out. They all commented on what with beautiful behaviour they had all day from the heroes!

## Safer Citizens

Year 6 went on a brilliant 'Safer Citizens' course run by TfL where the children learnt about staying safe on public transport - but also about protecting themselves from phone thieves, drugs, scams and house fires. The interactive sessions were great fun, which will help them remember the key information to stay safe. Ask your kids about it!
